TOGETHER

FOR A GREENER LEBANON

Convertec offers three types of packaging:
Corrugated | folding carton | Biodegradable

All in the efforts of raising awareness & reducing waste.
All our packages are ecofriendly & generated from renewable resources.

Corrugated Packaging is used more often for heavy duty items and can sustain more heat than folding carton.
Recommended for:

- Lunch & Pizza Boxes
- Display Stands
- Promotion Packs

Folding Carton also known as flexible packaging, is suitable for small items.
Recommended for:

- Delivery products: burger, fries, crepe...
- Delivery Bags
- Luxury Bags
- Cake & Pastry Boxes

Biodegradable Packaging is a new alternative for plastic & foam. It´s eco concious & made from a fastly renewable source.
Recommended for:

- Meal Containers
- Side Salads Containers
- Dessert
